

## Welcome! Rush Union Update

Hello everyone,

Welcome back to Spring Soccer! We hope the winter break was enjoyable for you, and we would like to wish you all Happy New Year. We are thrilled to be back on the fields this spring and to share all the exciting things we were able to do this winter. There are also some amazing upcoming events and programs we have to offer.

Our winter programs have concluded, and overall, we are very pleased with how they went. We had indoor and outdoor programs, camps, clinics and ongoing programs that provided a lot of flexibility to our membership so that they could enjoy a program that best suited them. We are looking forward to offering even more programs next Winter that may include an outdoor 7v7 youth league, Futsal, and a revamped indoor competitive program.

As we turn our focus to our spring programs, we want to remind everyone that all recreational players who register for our spring recreational programs, at either location, will receive a FREE ticket to the Atlanta United 2022 home opener on February 27! This is a very special arrangement and Rush Union is currently the only youth club to be able to offer this as a thank you to our community for being part of our soccer family.

We are also excited to announce that teams who register for the Rush Union Spring Cup will receive a limited number of tickets to the Atlanta United home opener on February 27. What a tremendous way to kick off the season with some great soccer at our Spring Cup, immediately followed by amazing team bonding while cheering on our home team – Atlanta United. For more information on the 2022 Rush Union Spring Cup please visit our tournament website: <https://soccer.sincsports.com/TTContent.aspx?tid=RUSHUSPR> We are very proud of our relationship with Atlanta United and are excited to bring these opportunities to our communities.

We are also proud to be able to offer two Grassroots USSF Coach Licensing courses in February. One course is being hosted in Milton and the other in Dunwoody, for our Recreational and Professional coaches. Coach education is just one of the areas we are focusing on; We also plan to offer a FREE Parent education seminar in early March for all our parents provided by Positive Coaching Alliance, one of our long term education partners. As a continued benefit to our members, we have renewed our membership with the Soccer Parenting Association, which allows all our members FREE access to the My Soccer Parenting Resource Center which can be accessed here: [Soccer Parenting Association](#)

We will be hosting a second round of SCCL Summer League tryouts on February 20th at both locations. Our Summer teams are starting to take shape so, if you are interested in playing on a competitive team this summer please register for the tryouts ASAP. I was fortunate enough to be able to attend the United Soccer Coaches National Convention January 19-23 held in Kansas City. The convention is the largest gathering of soccer coaches in the world. It was a great opportunity to network with potential partners, attend education sessions, and explore new ways our soccer market continues to grow and evolve. I look forward to sharing some of the exciting developments in the coming months.

We are excited to announce that we have been able to secure sponsorships from DirectTV and The Main Event new for this spring. If you would like to sponsor Rush Union or know of anyone who may be interested, please contact us directly.

We have worked very hard to get our Milton Facility ready for the spring season. The banana trees by the entrance have been removed, the entrance sign has been replaced, the walking trail on the back of the property has been cleared, the fields have been overseeded with rye grass, and the burned-out light bulbs on the field lights replaced. We hope you notice and enjoy these facility improvements, and please reach out to us if you see other ways, we can help improve any of our facilities for our membership's benefit.

If you have any questions about Rush Union, our programs or anything soccer related please reach out to our staff at any time.

Thank you for being part of our Rush Union family. We look forward to seeing you on the field very soon.
